

Tracy Johnson RN, CCM

Founder & CEO

Aging Life Care Professional

Certified Dementia Care Practitioner

When seniors and their families experience care challenges coupled with other related life stressors, it's not uncommon for them to seek out answers and support. Tracy's great passion is helping seniors and families receive the help and guidance they need in these times of crisis.

Tracy has been a RN for over 30 years, having begun her nursing career in the Surgical ICU. Her nursing and leadership skills were quickly realized and she was elevated to a supervisory role at the young age of 24. Tracy went on to combine her nurse management skills with her entrepreneurial spirit. She was the Founder of a 10,000 square foot Award Winning Med Spa in the Seacoast area of New Hampshire.

For the past 12 years Tracy has focused her passion and nursing expertise in the care of seniors and families. She has served as the Director of Nursing and the Executive Director of Independent, Assisted and Memory Care Communities in the Buckhead-Atlanta area.

Tracy is caring in her approach and able to bring real solutions to complex care challenges that greatly improve the well-being of seniors and their families. She has a wealth of experience as it relates to the care of seniors and specialized training for seniors experiencing the overwhelming effects of dementia.

Tracy works closely with her talented team and to offer a wide range of resources and solutions to seniors, families and caregivers that maximize the quality and enjoyment of life.
